

Sun light

Energy Transfer #1  
Heat to gravitational

Water falls out of pan on to hamster

Energy Transfer #2  
gravitational to motion

hamster runs with a big and small ballon

Energy Transfer #3  
motion to electrial

milk falls in glass and donut falls on plate

Energy Transfer #5  
electrial to graviational

Button starts convarbelt

Energy Transfer #4  
electrial to motion

ballons hit both buttons

Energy Transfer #6  
gravitaitional to elasic

rubber band shoots on alram

Energy Transfer #7  
elasic to sound

alram goes off

Energy Transfer #8  
sound to motion

kid wakes up.

Energy Transfer #9  
motion to motion

Start typing...

Energy Transfer #11  
Start typing...  
(Optional)

kid says "YES"

Energy Transfer #10  
motion to sound

kid sit up
